## Camp Policies

### Please read & sign with your child:

- Our camp policies have been designed to promote good citizenship, positive interpersonal relationships, and an opportunity to provide an environment with an atmosphere of mutual respect, understanding, and kindness. These behaviors should occur both on and off our campsite.
- Any camper involved with alcohol, cigarettes, drugs, weapons or firearms of any kind will be sent home immediately with no tuition refund.
- Campers are expected to use appropriate language at all times.
- Campers shall treat fellow campers and staff with respect.
- All campers need to respect our campsite. Any camper who defaces camp or personal property will be expected to repair the damage fully. If such intentional defacement or graffiti requires professional efforts to repair the damage, the camper's parents will be charged with immediate payment required and/or the child will be sent home with no tuition refunded.
- The camp reserves the right to send any camper home that is determined by the camp staff to be detrimental to themselves or to the camp community.
- Campers are expected to remain on the campgrounds unless appropriate camp staff supervises them.
- Campers will comport themselves appropriately, tastefully and respectfully while using social media to share photos and keep in touch with friends.
- Camp families understand that the camp does not cover any injuries which may occur during the summer, and that the family will be responsible for all copayments occurred during camp.
